

Virtual Interview

You will be interviewing important people around the community in order to create a podcast. To prepare for this we will perform a virtual interview.

1. Choose a famous person to interview. *Yes, anybody.*
2. Type 10 questions you would like to ask your interviewee.
Format your typed page with a heading and title.
3. Research your interviewee on the Internet, and answer your interview questions from the interviewee's perspective.
Yes, the answers must be written in the first person. I...
