Happy New Year

The Crossroads faculty would like to wish each student and family member a happy new year. We are thankful for all of the hard work and dedication that helped us to be successful in 2006 and we look forward to continuing our work together in 2007. As always, we encourage parents and guardians to support students by checking homework, assisting with organization and ensuring that students have access to appropriate reading material.

TCAP Updates

TCAP Club we begin on Monday, January 7, 2007. Students will be selecting their clubs this week but all students will be dismissed at 3:00 this week. Questions regarding the extended school day should be addressed to Wendy Jeffries or Cristina Paglinauan.

Homework Detention Updates

Last month we began holding homework detention for students who have not completed a required assignment. If students do not submit homework on time they are assigned to a 90-minute detention after school on the same day. Parents are called if their child is assigned to homework detention. Students are dismissed from homework detention at 4:30 and are allowed to ride home on the late bus.

Vision Screening – January 4

On Thursday, January 4th, the Baltimore City Health Department will be at Crossroads to provide vision and hearing screening for all students in the 6th and 8th grades. Parents will be notified of the results and Crossroads will assist families in receiving complete eye exams and glasses if necessary. Additional information about the screening is being sent home with 6th and 8th grade students today.

Inclement Weather Procedures
