Parents – Our weekly newsletters are now available on our website. Simply click on “Crossroads News” for a copy of the current newsletter and a list of all archived editions.

School Closed – Thursday and Friday

The Crossroads School and other BCPSS schools will be closed this Thursday and Friday for Professional Development activities. Students should make sure they are reading their current book at they work toward the 25 Book Challenge.

Uniform Reminders

As the weather begins to get cooler, please remember to help your child dress appropriately for school. All students must be in uniform at all times. This means that students will need to begin to wear long sleeve shirts, sweaters and sweatshirts that are allowable under the uniform policy. All shirts, sweaters and sweatshirts must be navy blue or white and are not allowed to have hoods. Please help your student stay in uniform!

Asthma Inhalers

Many students experience an increase in the frequency of asthma attacks when the weather cools down. If your child has an inhaler that has been prescribed by a doctor, please ensure that he or she either carries it with them at all times OR provide one to be kept in the main office for emergencies.

TCAP Club Reminder

Please remember that all students have been assigned to two days of extended school day clubs each week. Remind your child that failing to attend an assigned club is a serious violation of school rules and will be handled accordingly. If you have questions about your child’s attendance in TCAP Clubs, please contact Wendy Jeffries at extension 302.

7th Grade Learning Expedition

As part of their current learning expedition, 7th grade students are exploring the current community development initiatives taking place in the East Baltimore neighborhood of Middle East. Mr. Fishbein is looking for parents, guardians or relatives who are being affected by the redevelopment of this community. If you are interested in participating in the project, please contact Mr. Fishbein at 410-276-4924.
